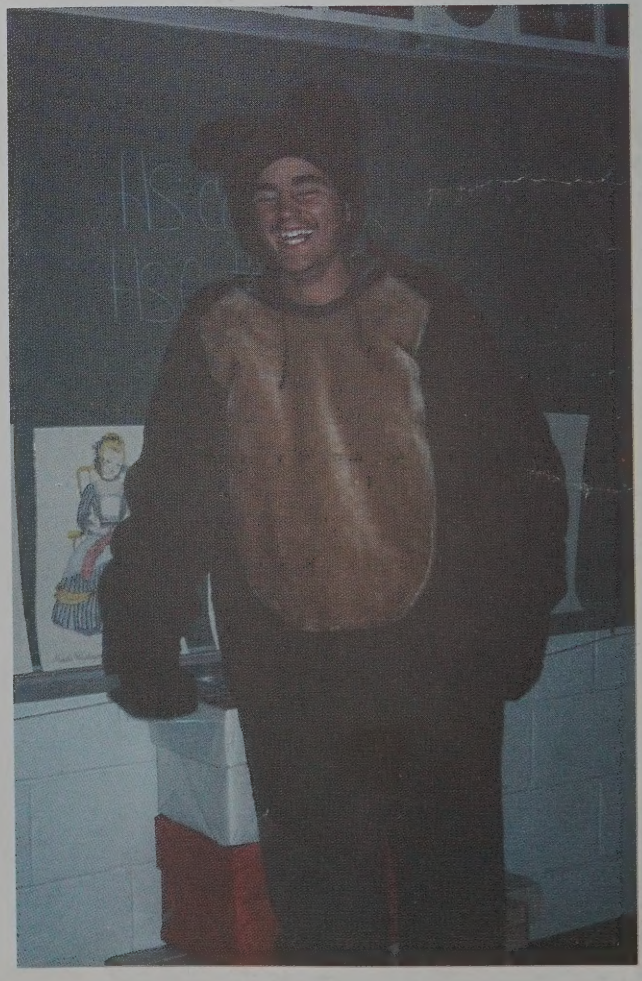
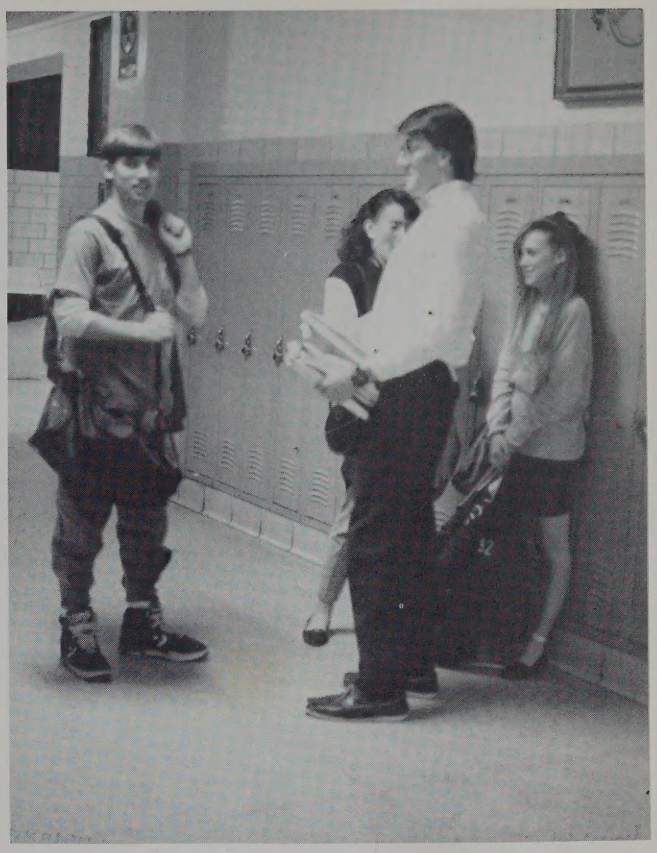
Admirals Show Spirit





In Loving Memory Of . . .

In the year 1988, Cradock lost three well-loved persons, a student and two teachers. Their memories will always be a part of those who knew and worked closely with Cecile Oakley, Rhoda Hampton, and Hollis Ergenbright. Though no longer with us, their friendship will always be a part of us here at Cradock High School. Below are several poems written by Cradock High School students in honor of our missed friends.

You were a friend, so sweet and kind
That's why you'll always be in my mind.
I'll remember the good times since we first met,
And I promise I shall never forget.
The way you brightened my day
Was just your way to say;
"Live your life, be happy and free, so one day
You'll come and be with me."
So Missy, as you leave me, I hope you can see:
Even though we may now grow apart
Our friendship will always remain in my heart.

— Lauralee Raynor

You were a teacher and a friend
Commiting to excellence until the end.
Throughout your life, you strived for goals
Climbing each step up the pole;
To let everyone see the great woman you would be.
Reaching out, helping everyone you touched
Will always be appreciated very much.
All things you've said and done
Prove to us, your goal was won!
Now you've moved to a much higher step,
But your memory, I promise, will always be kept.

— Lauralee Raynor

Looking,
with mirrored eyes
Feeling,
through this cool disguise
The pain that shred's my heart
is fading.
As you disappear into the night
Like an eagle in flight.
Watching his prey
I still see you, from a distance
and for an instant I'm alive.

— Steve Detwiler

Cecile Oakley

Cecile R. Oakley

Cecile "Missy" Oakley, a native of Portsmouth, Virginia died April 7th, 1988, from injuries received in an automobile accident. She was 16 years old. She was a junior at Cradock High School. She is survived by her husband, Willard Oakley and a son, Willard Oakley, Jr.

Cecile had many friends at Cradock. She was described by many of them as being quiet and friendly. She always had a kind word for everyone. She loved being a wife and mother; they were the two most important things in her life. Sharing photos, of her son and family were one of Cecile's favorite pasttimes.

On April 7, 1988, a tragedy robbed a wife, mother, daughter, and a dear friend from many. She will be greatly missed, but will always be in our hearts.

Penny, Keith, Arnetta, Chrissy, and Mrs. Williams pleasantly greet visitors to Cradock.

The office helpers and guidance workers are a big help! Their youth and long legs make it easier for the secretaries and guidance counselors to locate students when necessary. Their tasks include admitting late students to class, running off absentee lists, collecting cut slips, taking telephone messages, assisting the nurse, and much more. They are a valuable asset to the running of Cradock High.

Jack assists Mrs. Ashby with computer lists.

Tracy helps Mrs. Williams run off the daily absentee list.

In Its Mock Election

The Senior Class of 1989 conducted a mock presidential election in November. Mrs. Trueblood's second period government class organized and planned the election. The class made posters and wrote campaign speeches that were broadcast on the P.A. system to encourage students to vote in the mock election. The class was responsible for manning the polls on registration and election days. On the Friday before the November 8th presidential election, the seniors held a mock debate. It was held in the auditorium with television coverage. Mr. Willett's class researched the issues and both his and Mrs. Trueblood's classes participated in the debates. On election day, George Bush and Dan Quayle were the overwhelming victors in the school's mock election.

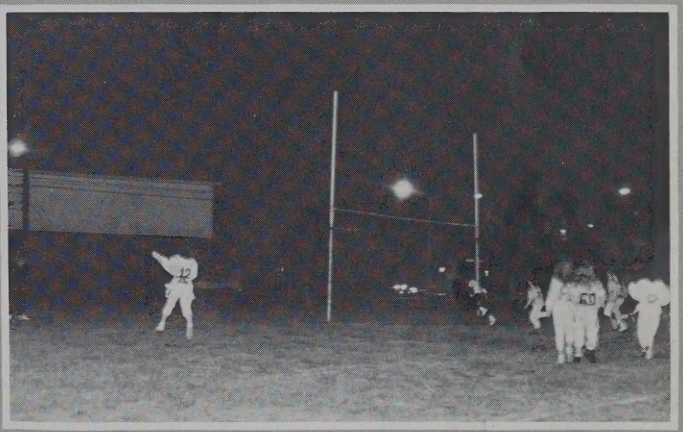
The Juniors won the toss and elected to receive ...

... Dawn Meeks kicked off and the Juniors began their crushing defeat ...

.. Kristin Jordan was unstoppable, and the offense scored quickly ...



... Another touchdown by the Juniors leading receiver Liz Neville put the Juniors up 12-0 ...

... and the Seniors soon realized they were against unsurmountable odds.

The Second Annual Powder Puff Game was played on Nov. 15, 1988 at the Cradock High School Field. The Junior and Senior girls played a tough game, while the guys cheered for their teams. The Junior girls proved to be the better team as they shut-out the Seniors 18-0. Kristin Jordan threw two touchdowns to Liz Neville and Angie Eddins. Evelyn Burney then put the game away as she ran for one of her own. The Juniors then let their defense take care of the rest of the job as they watched the time tick away. All in all it was a very fun game and proved to be a break from the routine school life.

The Junior-Senior Prom was held on a Saturday evening, May 15, 1988. The junior class this year was under the leadership of two new sponsors, Miss Shirley Hobart and Mrs. Van Napier. The junior class raised money by collecting junior dues and selling jewelry and candy.

The prom was held at the Holiday Inn in downtown Portsmouth. For the first time ever at a Cradock prom, there was a disc jockey. He played a variety of music and was well received by all the students and faculty.

Prom King and Queen were Scott Kelly and Barbara Bandy. They were chosen by the senior class.

They were Barbara Rohr and Missy Martin. Car washes, jewelry sales, and candy sales were fund-raising activities for the production of the prom. Shantel Gray and Lamont Flax were selected by the juniors to represent them in the homecoming festivities.

The Varsity Admirals started the season off with a string of impressive wins. The team had some strong bats this year thanks to Scott Kelly, Keith Beaman, and Lorenzo Coltrane. They also had nice place-hitting by Jeff Terwilliger and Danny Morton. The pitching staff consisted of Danny Morton and Mike Stafford as starters, and the relief was provided by Johnny Harrell, Lorenzo Coltrane, and Scott Kelly. "We started off strong and won some big games," Coach Kilpatrick said, "but we started to tire and lost some important games to the teams we were hoping to beat." The tough season may be improved upon next year with all the returning players. Seniors on the team were: Scott Kelly and Mike Stafford.

Hopefully these young men can build for the future, and will be better players for that painful wait.

The 87-88 Soccer team was the first in history for Cradock High. Even though they went without a win, they had two players on the city team. They were Gene Sykes and Jay Mishoe. Jay Mishoe also was awarded "Most Valuable Player." Anthony Dunlow was awarded with the "Most Improved" honor. The soccer team was coached by Larry Gray.

Wrestling Cheerleaders

This year there was a cheering squad just for wrestling. This group of girls truely enjoy the sport of wrestling and were always at the matches to cheer on the guys. The only returning wrestling cheerleader was Joanna Clark. The cheerleaders are the support system behind varsity wrestlers. Often they appeared after school for practices.

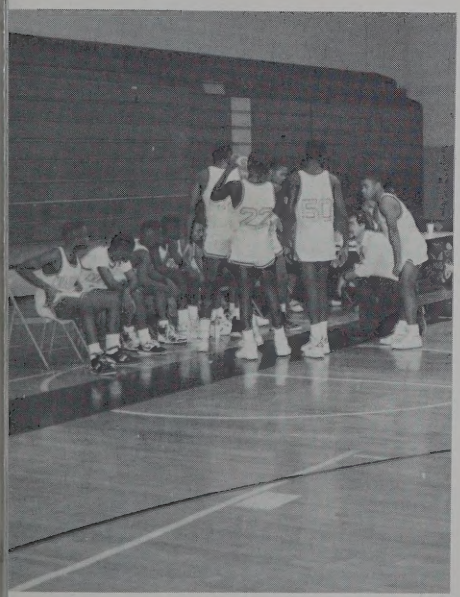
Possible Regional contenders Eric Price and Marlon Windbush.

The 1988-89 Wrestling team was led by seniors Marlon Windbush, Jimmy Hall, and junior Eric Price. The team had a record of 2-8-1 this year, but produced some excellent individual performances. The season started with a victory over Manor and then the Portsmouth Invitational Tournament was held. Cradock's Jimmy Hall and Eric Price took first place at 103 and 171 respectively. Marlon Windbush placed second at 189, and Leonard Saunders finished fourth at 130. The team finished the year with second place in the city and produced some Portsmouth City Champions. The winners were: Jimmy Hall — 112, Steve Gwaltney — 125, Joe Floyd — 130, Eric Price — 171, and Marlon Windbush — 189. The Most Valuable Senior was Jimmy Hall, who is the fourth winningest wrestler ever at Cradock High School, and he had the highest regular season winning percentage ever for a wrestler at Cradock High School. The District Tournament was held on February 10 and 11 at Indian River High School. Showing good performances in the tournament were: Jimmy Hall, Joe Floyd, Steve Gwaltney, Eric Price, and Marlon Windbush.

J.V. Boys Had A Tough Season

L to R — Marlon Milligan, Nathaniel Richardson, Daryl Shumake, Tony Hopkins, Antwan Jenkins, Coach Smith, Bernard Dildy, Clayton Grimes, Wilburt Key, Dennis Silver, Troy Mills, Gerald Webb, George Concepcion.

The Junior Varsity Boys Basketball Team was coached by Trent Smith. It was a rough year, with 2 wins and 10 losses. Coach Smith commented that team spirit and outside shooting were the team's strong points. Work is needed in the future, Smith said, on the inside game and defense. A serious problem for the team was academics. The j.v.'s lost quite a few players to low grades. A major accomplishment of this year's team was defeating Norcom twice.



Coach Smith gives a pep talk during halftime.

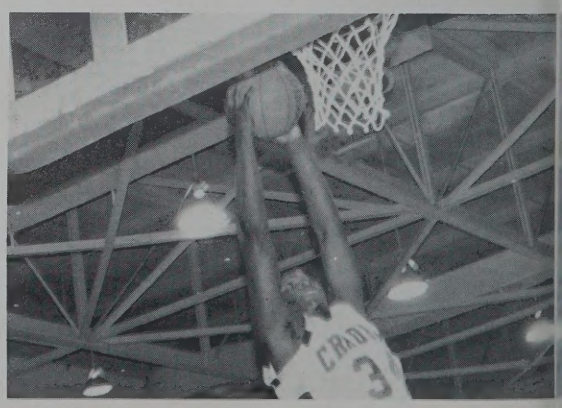
Jeff with another great assist.

Keith shooting a three pointer.

The Varsity Boys Basketball Team was coached by Mac Carroll. Coach Carroll said that his goal for this year's team was to have a berth in the District Tournament, preferably 7th, do well, and go on to the Regional Tournament.

The offensive of the team was strong, scoring was not a problem. Paul Sessoms was a leading scorer and good leadership qualities were found in Keith Beaman. Coach Carroll said that his team was capable of scoring enough points to win games on the high school level but they must work on stopping teams from scoring in order to be successful. Team speed and defense were the weakest points of the Varsity Admirals. Next year's team, if all goes as planned will have one of the strongest teams in the district and should contend for the district championship.



Jeff dunks home two.

The Junior Varsity Girls Basketball Team was coached by David Moss. His team was young, composed mostly of eighth and ninth graders. Their weak points were that they had a small squad with poor skills. Coach Moss hopes that with this year's experience, next year's team will fare better.

The team goes over time for the District Meet

This was Indoor Track's first year at Cradock High. The team participated in several meets against the other schools in the Southeastern District. It also competed in the District meet, February 4th, at Manor High School. The events the team participated in were the 55 meters, 300 meters, 500 meters, 1,000 meters and the mile run. None of the team members were seniors so Coach Willett is looking forward to improved performance next year.
